Chadron's Hope Foundation is a non-profit organization dedicated to improving the lives of people with Down syndrome and other neural developmental disabilities. We are currently seeking a skilled and compassionate Occupational Therapist to join our team and contribute to our mission of providing comprehensive therapy services to those in need. This is a fantastic opportunity to make a meaningful impact in the lives of individuals and their families.

Position: Occupational Therapist
Organization: Chadron's Hope Foundation

Responsibilities:

- Conduct thorough assessments of clients to evaluate their physical, cognitive, and sensory abilities
- Develop personalized treatment plans and goals in collaboration with clients and their families
- Implement evidence-based therapeutic techniques and interventions to improve clients' functional independence and quality of life
- Monitor and document clients' progress, adjusting treatment plans as needed
- Provide education and support to clients and their families, empowering them to maximize their potential
- Collaborate with a multidisciplinary team of healthcare professionals to ensure coordinated and holistic care
- Stay updated on the latest research, trends, and best practices in occupational therapy

Qualifications:

- Diploma's or Bachelor's degree in Occupational Therapy
- Previous experience working in a similar role, preferably with individuals with disabilities
- Strong knowledge of occupational therapy principles, techniques, and interventions
- Excellent communication and interpersonal skills to work effectively with clients, families, and colleagues
- Empathy, patience, and a genuine passion for helping individuals with disabilities

- Ability to work independently and as part of a team
- Flexibility and adaptability to meet the diverse needs of clients
- Commitment to professional growth and continuous learning

Community Outreach Program: In addition to providing therapy services at our center, we are committed to extending our reach to serve families in the surrounding community who may face barriers to accessing therapy. Through our community outreach program, we allocate resources to identify and support families near the center who are in need of therapy services. As an Occupational Therapist, you will have the opportunity to participate in our outreach efforts and make a positive impact on the lives of individuals and families in the community.

Location: Chadron's Hope Foundation is located in Dar Es Salaam, and the position is based at our facility.

Remuneration is based on a market rate.

How to Apply:
Interested candidates are invited to submit their comprehensive resumes, cover letters, and any relevant certifications or licenses to info@chadronshopefoundation.org please specify "Occupational Therapy Position" in the subject line. We encourage applicants to include a brief statement outlining their experience working with individuals with neural developmental disabilities and their motivation to join Chadron's Hope Foundation.

Application Deadline: 17th May 2023

Note: Only shortlisted candidates will be contacted for interviews. Chadron's Hope Foundation is an equal opportunity employer committed to fostering an inclusive and diverse workforce.
Join our team and help us transform lives through occupational therapy! Together, we can make a difference in the lives of individuals with neural developmental disabilities and their families.
